FEET OF WATER

LAKEVIEW SUBURBAN WATER

SUPPLY DISTRICT

MINIMUM BILLING OF **\$5.62** PER MONTH
PLUS, **\$.0175** CUBIC FOOT USED DURING
THE BILLING PERIOD.

THE NEW WATER RATES ARE CONSTANT YEAR ROUND WITH NO DIFFERENT IRRIGATION RATES IN THE SUMMER. THE WATER BILLINGS ARE BASED ON THE NUMBER OF CUBIC FEET USED.

FIRST TIME CUSTOMERS TO THE TOWN OF LAKEVIEW BILLING SYSTEM WILL BE CHARGED A NON-REFUNDABLE SET UP FEE OF **\$30.00**. IF THE NEW ACCOUNT REQUIRES THE INSTALLATION OF A WATER LINE AND METER, THERE IS A WATER LINE INSTALLATION AND METER CHARGE. IT IS REQUIRED THAT THESE FEES ARE PAID BEFORE WATER IS TURNED ON.

WATER METERS MEASURE THE AMOUNT OF WATER USED IN HUNDREDS OF CUBIC FEET, NOT GALLONS (1 CUBIC FOOT = 7.48 GALLONS). THE EVEN 100 CUBIC FEET READING IS RECORDED WHEN THE METER IS READ. THE PREVIOUS READ IS SUBTRACTED FROM THAT NUMBER AND THEN MULTIPLIED BY 100 TO SHOW THE NUMBER OF CUBIC FEET USED IN A BILLING PERIOD. IF YOU HAVE QUESTIONS REGARDING YOUR BILLING, PLEASE CONTACT TOWN HALL.

OLD SEWER RATES

SEWER, IN TOWN **\$24.89**
SEWER, OUT OF TOWN **\$25.99**
